T4Tech's Digital Signages

## MINIMIZING TECH FRICTION

We bridge the gap between people and technology, making every interaction seamless and efficient.

# ABOUT US!

T4Tech Vision has been in the market since 2022 and positioned as India's top quality **Audio and Video system Integrator** providers with vision of developing in house strength and complete manufacturing setup, and was established along with software and support network for best customer experience.

We provide digital signage and display solutions, dedicated to transforming the way businesses communicate visually.

**65%** ↑ **Environmental Impact of Paper Production :**  
Producing one ton of paper consumes approximately 17 trees, 264 kilograms of air pollutants, and 26,281 liters of water.

**33%** ↓ **Reduction in printing costs :**  
Businesses adopting digital signage have reported savings of up to 35% on print advertising costs.

## **Save Paper with Digital Display**

Our mission is to drive sustainability by replacing traditional paper based communication with innovative digital signage solutions. Through energy-efficient technologies and dynamic content platforms, we aim to reduce deforestation, minimize waste, and inspire eco-conscious practices.

Brands that became part of our mission called:

# Technical Specification

# A Typee Standee

## Display Panel

Resolution	4K UHD (3,840 x 2,160)
Brightness (Nits)	Max 700 Nits
Orientation	Landscape/Portrait
Haze	Up to 28%
Contrast Ratio (Typ.)	4,000:1
Active Display Area	Varies On Size
Pixel Pitch (mm)	0.245 x 0.245
Color Gamut NTSC	NTSC 72%
Operation Hour	16/7 or 24/7
Response Time	8ms
Speaker	10W 2ch
Connectivity	WiFi / BT, Stereo mini Jack
Screen Sizes	32" 43" 50" 55" 65"

## Enclosure

Body Material	Mild Steel
Paint Type	Dip Powder Coating
Connectivity Ports	HDMI, USB, LAN, Power Socket
Thickness	50mm

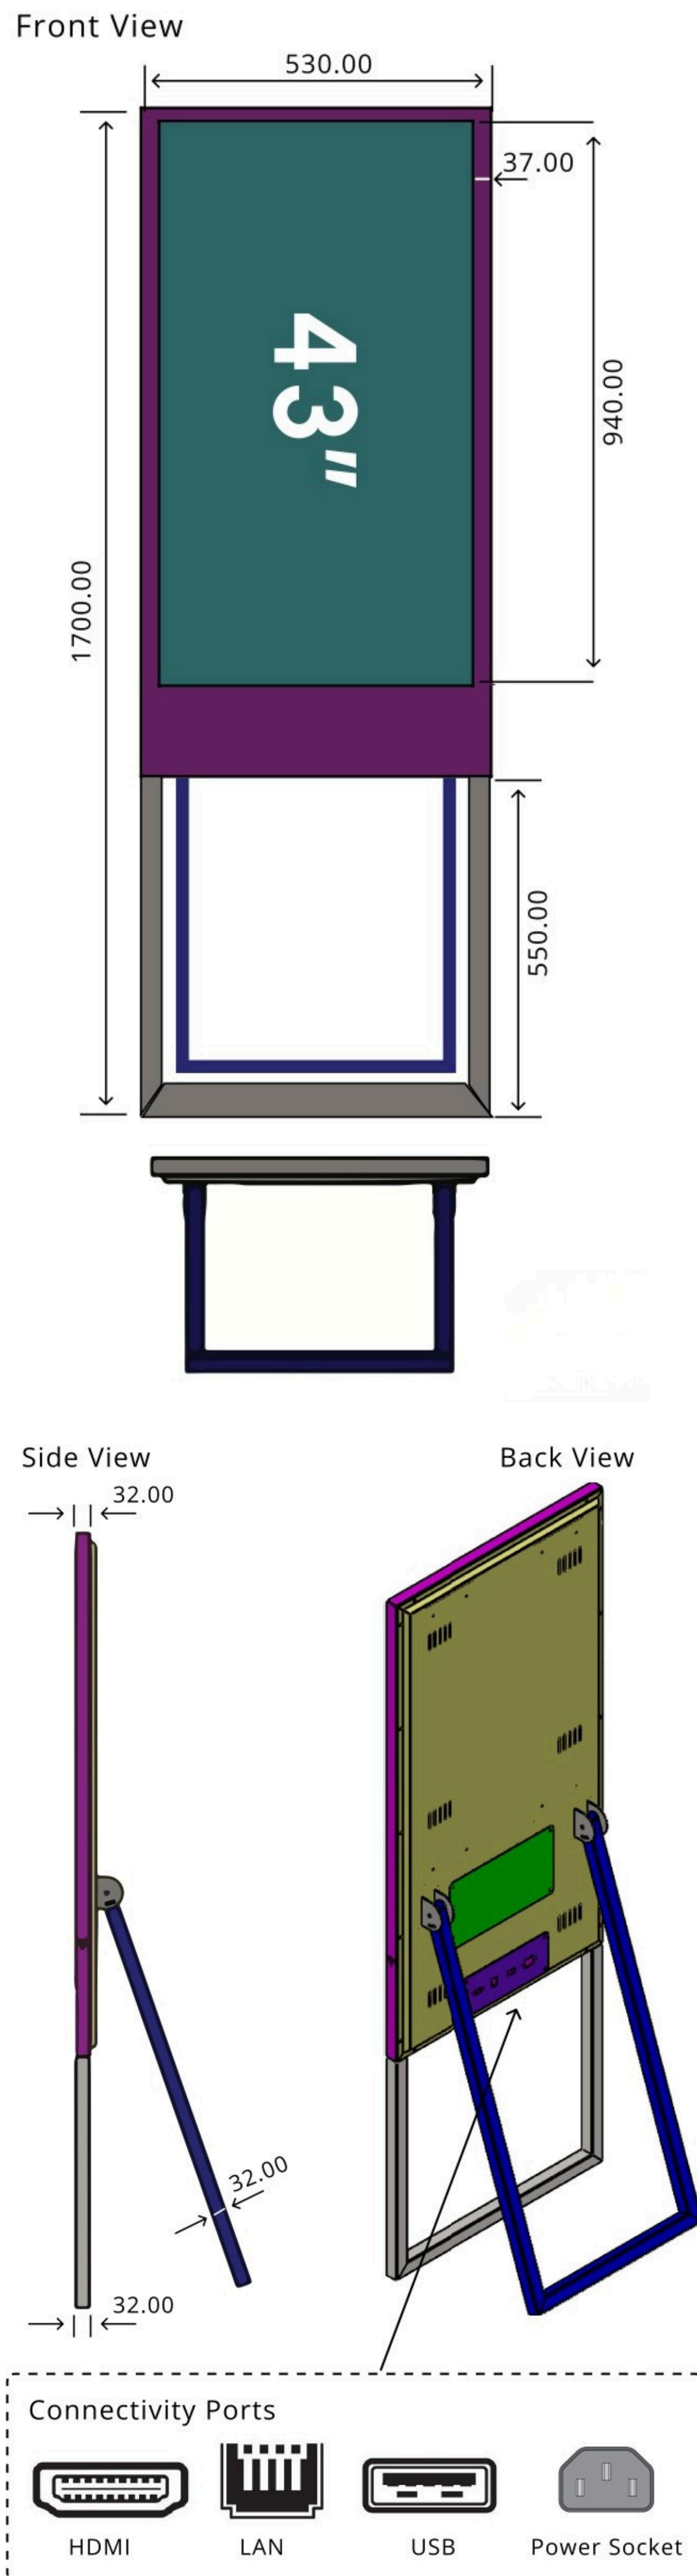

## Operating Condition

Temperature	0°C~ 40°C
Relative Humidity	10~80%

## Accessories (Optional)

- Front Toughen Glass
- Castor Wheels
- UPS
- Vinyl / Laser Cut Logo
- Special Color
